6.- EVALUACIÓN

6.1. Criterios de Evaluación

Con el objetivo de constatar la adquisición de las competencias descritas, se emplean técnicas de evaluación variadas. Para obtener la nota final aprobada, es necesario alcanzar al menos el 50% de la puntuación máxima en cada una de ellas.

Se tendrá en cuenta la asistencia regular del estudiante (no menos del 75%) para la calificación, tanto en primera como en 2ª convocatoria, de las técnicas de evaluación que requieran presencialidad.

¹ Conforme el reparto de créditos ECTS que aparece en la memoria verificada en la materia a la que pertenece esta asignatura.

Es decir, aquellas técnicas que evalúan competencias como destrezas de trabajo en equipo, estrategias de comunicación interpersonal y oral, en otras, requieren la participación activa del estudiante en el desarrollo de las clases. Además, por su propio carácter (trabajos y casos prácticos grupales, exposiciones, debates...) no pueden ser realizadas en otro momento ni sustituidas por otras.

El profesor, en el desarrollo de su docencia, podrá incluir requisitos de evaluación para las diferentes técnicas que se detallarán en las plantillas o rúbricas de evaluación pertinentes.

CRITERIOS COMUNES DE CORRECCIÓN

Penalización del plagio o intentos de engaño en las técnicas de evaluación, suponiendo la pérdida de la convocatoria. El docente estimará si precisa aplicar técnicas complementarias en caso de detectarlo.

Realización y entrega en fecha y forma establecida las actividades y trabajos encomendados.

Para la cita y referencia de fuentes de información de los trabajos académicos, el alumnado debe seguir las recomendaciones de las normas APA 7º Ed.

Ortografía en los trabajos académicos y en las pruebas escritas: Entendemos que el alumnado universitario tiene asumidas las capacidades lingüísticas en relación a la expresión oral y escrita. Por tanto, es primordial y obligatorio la corrección ortográfica (ortografía, acentuación y puntuación), gramatical y léxica en los trabajos y exámenes realizados como condición imprescindible para superar la asignatura.

En los criterios de evaluación, se atenderán las indicaciones que el SOUAE haga llegar al profesorado del alumnado con Necesidad Específica de Apoyo Educativo

Students will take into account general and common evaluation criteria, applied in others subjects as well:

- Plagiarism in any course task and the attempts to cheat in the final exam will entail a fail mark in the current call.
- The pass mark for each assessment technique will be 5 out of 10, that is 2.5 out of 5. Therefore students will have to get at least a 50%, so that the partial mark obtained in every assessment technique can be added to their final mark.
- The Communicative Competence (B2) will be assessed through the different evaluation techniques.
- All the tasks will be uploaded to the campus. All those sent by email, won't be corrected.
- One of the language skills that is assessed in a language course like this is accuracy and control - what can also be described as "correctness".

Although some errors may not affect the marks from the assessment techniques significantly, systematic repetition of basic errors will, and may even lead to a fail mark ("suspense").

It is strongly recommended that you study the following list and make sure you do not make these mistakes repeatedly:

- 1.- Using modal verbs with a full infinitive, e.g. *You should to tell her the truth.
- 2.- Sentences without a subject (noun or pronoun), e.g. (You) *Shouldn't listen to her.

- 3.- Wrong use of possessives pronouns and determiners. E.g. *She should think about your own future.
- 4.- Wrong use of personal pronouns: him / her / he / she. E.g. *Give it to she.
- 5.- Wrong concordance subject-verb, especially 3rd person singular Present without –s. 6.- Wrong use of auxiliaries. E.g. *She don't can speak French.
- 7.- Adjectives after (not before) nouns, e.g. *A house big.
- 8.- Writing *"I'm agree" instead of "I agree".
- 9.- Making "plural" adjectives, when they are invariable. E.g. *She has different ideas.

"Those students who hold a language certificate with a higher level than the one given in the course are exempt to attend lessons, as long as they apply for a convalidation by sending an email to the teacher with an scanned copy of the certificate from the following Table (<https://cesdonbosco.com/documentos/grados/Acreditacion-idioma-ingles.pdf>). In that case their final mark would be 5".

ALUMNOS DE SEGUNDAS Y SUCESIVAS MATRÍCULAS

Para el alumnado de segundas y sucesivas matrículas se tendrán en cuenta los criterios generales de evaluación.

The students who have not passed the subject in the first year will have to take an exam including all the content in the subject. This written test will account for the 50% of the final mark. Likewise, they will have to hand in a Project meeting the guidelines given by the teacher on the date of the official exam. The project will account for another 50% too.

The students themselves are responsible for their own learning process. This means they must contact the teacher at the course start, so that they they can be closely informed about the course requirements they must meet in order to pass, that is, the work plan and the guidelines for the assessment techniques.
